*Preschool students must be three years old by September 1 and potty trained. All others will be given a screening assessment to ensure proper grade placement.

The database we use filters information by date of birth so it is very helpful to have everyone's information. We do not share this information with any outside organization.

As stated in the Good Shepherd School Handbook, at least one parent who has legal, daily responsibility for the child must meet the following minimum admission standards:

- Must trust Jesus as Savior and have a close, consistent walk with Him
- Child and parent must regularly attend, tithe and serve a local church body with convictions consistent with our beliefs (see pg 2 in handbook).

Each parent needs to fill in the following questions. You will be asked during the interview with the principal to share briefly about your answers.

1. What does it mean to receive Christ as your personal Savior?

2. How and when did you receive Christ as your Savior? (Be specific; i.e., circumstances, inner thoughts, people involved, events, dates) If you need more room, use the back side or this paper.

If you have reservations or don't fully understand these questions, this might be a good time to take a personal look at your beliefs to make sure your faith is in agreement with what is required to be admitted into Good Shepherd School. We hold firm to the teachings of the Bible and what it says about salvation through grace (Ephesians 2:8-9). Please feel free to call (503.663.5280) and discuss this matter at any time.
